

## National institute of fire and safety engineering (CHRED Govt.Of India)

### Diploma in industrial safety Management

Dear students

You can join correspondence diploma courses in Industrial safety management . Exam will be held on July or Dec every year, you can pursue 1 yrs diploma, just you have to send Demand Draft in favour of National institute of fire and safety engineering payable at Nagpur of amount Rs 9000 course fee. As soon as we received your Demand Draft and application form we will send you study material at your given address..Management courses that we offer are highly compatible with International standards. It has been our constant endeavour to provide the best possible study material for the students. The International curricula added in our syllabus are an effort to make this possible. We want our students to excel in what they are doing; creating a safety Manager/HSE officer/safety officer is not the aim for us, its making a Manager who can really take its organization on a high with Zero Accident policy.
